To the backdrop of the burning 12 O'Clock hills, another windy and pleasantly sunny evening in Cullaun with an easterly gusting up to 22 knots gave our sailors plenty to deal with over a long challenging course set by Patty (guest Commodore from Florida and friend of Margret) who was assisting (or leading) Mat as the OOD. As is now the norm Margret hit the line in the first race on time and ahead of the pack and would not relinquish that lead until the finish although Jim was not far behind. All starters finished within five minutes of Margret with many tight battles throughout the fleet.

At the start of race two Margret mistimed her start for a change but was soon up to third by the end of the first leg and by the end of the race had regained her place at the top of the timesheets. Jim unfortunately suffered damage to his boom which resulted in immediate retirement. The rest of the field finished even tighter in a slightly shortened course but with a dropping wind. Some great racing to the line by George and very some close finishes brought the evenings racing to a close.

Small drama followed with the rescue boat detaching its fuel line while assisting Coranne and needing to be rescued itself by the OOD boat, but all were towed safely to shore.
